

MANUFACTURER'S CERTIFICATION STATEMENT 2009/2010

Amarr Garage Doors, Inc. certifies that the Amarr-manufactured garage door products listed below are Eligible Building Envelope Components that qualify for a Federal Tax Credit under the American Recovery and Reinvestment Act of 2009. The door U-factor and Solar Heat Gain Coefficient (SHGC) of each of these doors is below or equal to the 0.30 maximum with a means of controlling air infiltration at the door perimeter (e.g. perimeter seal on sides and top and retainer with astragal on bottom).
