

Hörmann LLC

MANUFACTURER'S CERTIFICATION STATEMENT

Pertaining to the American Recovery and Reinvestment Act of 2009

For Doors Installed in 2009 and 2010

Hörmann LLC, hereby certifies that the following Hörmann door systems are eligible for the energy tax credit as noted in Eligible Building Envelope Components, which qualify for a Federal Tax Credit under Section 25C of the Energy Policy Act of 2005, the provisions of which have been modified by the American Recovery and Reinvestment Act of 2009.

The Internal Revenue Service (IRS) requires the manufacturer be identified in this statement: Hörmann LLC of 5050 Baseline Road, Montgomery, Illinois is the manufacturer of following door systems:

Product Model (Old Name)	With Insulated Windows	With Non-Insulated Windows	Description	Door U-factor
Gemini 2100	N/A	No	2" thick steel, with optional polystyrene insulation	< 0.30**
Gemini 2200	N/A	No	2" thick steel, with optional polystyrene insulation	< 0.30**

* U-factors are calculated in accordance with ANSI/DASMA 105.
** U-factors are calculated in accordance with NFRC 100 and 200.

Note: To be eligible for the credit, the door must be installed on a qualifying homeowner's principal U.S. residence with insulated garage space, and with a means of controlling air infiltration at the door perimeter. The tax credits apply to qualifying purchases in 2009 through the end of 2010. The tax credit equals to sum of 30% of all qualified residential energy property expenditures for the taxable years in 2009 and 2010. The maximum credit shall not exceed \$1,500.

Under penalties of perjury, I declare that I examined this certification statement, and to the best of my knowledge, the facts are true, accurate and complete.
